(Filed May 24, 2001)

**ADMINISTRATIVE LAW JUDGE'S RULING  
RECEIVING EXHIBITS AND SUBMITTING THE RECORD**

On September 12, 2003, I issued an Administrative Law Judge (ALJ) ruling reopening the Phase 2 record in Rulemaking (R.) 01-05-047 to allow receipt of information regarding 2002 sales and revenues of Pacific Gas and Electric Company (PG&E), Southern California Edison Company (SCE), San Diego Gas & Electric Company (SDG&E), and Southern California Gas Company (SoCalGas). I proposed that sales and revenue data obtained from the companies and contained in tables attached to that ruling be received as Exhibits 197 (for PG&E data), 198 (SCE), 199 (SDG&E electric), 200 (SDG&E gas) and 201 (SoCalGas), and established a schedule for parties to file corrections to the tables or objections to their receipt into evidence.

On September 17, 2003, PG&E filed a response indicating corrections which it stated should be made to Exhibit 197. SoCalGas and SDG&E filed a response containing revised tables for Exhibits 200 and 201. No party filed any objections in response to the ruling or to the utilities' corrections.

**IT IS RULED** that:

1. The table attached to this ruling, which incorporates the revisions indicated in Pacific Gas and Electric Company's (PG&E) September 17, 2003 response, is marked as Exhibit 197 and is received into evidence.
2. The table attached to the September 12, 2003 Administrative Law Judge's (ALJ) ruling and entitled "Southern California Edison Company Recorded Revenue Summary – 2002" is marked as Exhibit 198 and is received into evidence.
3. The table attached to the September 12, 2003 ALJ ruling and entitled "San Diego Gas & Electric Company 2002 Electric Sales and Revenues" is marked as Exhibit 199 and is received into evidence.
4. The table attached to Southern California Gas Company (SoCalGas) and San Diego Gas & Electric Company's (SDG&E) September 17, 2003 response and entitled "San Diego Gas & Electric Company 2002 Gas Sales and Revenues" is marked as Exhibit 200 and is received into evidence.
5. The table attached to SoCalGas and SDG&E's September 17, 2003 response and entitled "Southern California Gas Company 2002 Gas Sales and Revenues" is marked as Exhibit 201 and is received into evidence.
6. The record on Phase 2 issues in Rulemaking 01-05-047 is submitted.

Dated September 25, 2003, at San Francisco, California.
